12. Briefly describe the role of each sponsor in organizing and conducting the trip:

The Technology Policy Institute solely organizes the Aspen Forum. This includes inviting all speakers and participants, planning discussions and panel topics, and all logistical arrangements. Congressional participation. We have had Senate and House staff participate in discussion panels

in 6 of the 8 years we have hosted this conference.

In addition to hosting the Aspen Forum, the Technology Policy Institute produces research and hosts briefings, conference and discussion panels on technology policy issues in order to educate policymakers.

The event is hosted at the St Regis in Aspen, CO. It is easily accessible from both east and west coasts.

Hotel Aspen, 110 W Main Street, Aspen, CO 81611

21. Lodging & meals are above the GSA rate. TPI planned to provide complimentary lodging to all government speakers at the St Regis Aspen Hotel, however, the Hotel Aspen was selected for Senate invitees because it is less expensive than the St Regis Aspen Hotel and is less expensive than other nearby hotels. Meals are the same provided to all attendees and is included in the registration fee. We were not able to negotiate a less expensive meal option that complies with the GSA per diem rate.
